Annual Summer Mission Speaker

The US Bishop's Conference Mission Appeal will be observed in our parish next weekend, July 4/5, at all Masses. We have invited a member of the Brothers of the Christian Schools who will share with us some thoughts on the missionary activity of his religious order and offer some insight on how we might assist in the vocation of Lasallian educators who are called to teach the Gospel and more.

Bro. Edward Hofmann, FSC, has been a De La Salle Brother for over 60 years. A native of Trenton, NJ, and beneficiary of a solid Catholic education initiated by the Religious Sisters of Mercy through high school and then at La Salle, Villanova, and Loyola of Chicago universities, as well as at international academic institutions. Brother Edward has taught and labored both at home and abroad at several levels of education and in multiple administrative capacities.

Currently, Brother Edward is actively retired while volunteering on campus at La Salle in the University Art Museum, with the A-10 cross country track and field program, and the Pep Band. Beyond campus, he offers English instruction three nights a week to new adult learners at an area parish and assists candidates for their GED at a local ecumenical site.

This year marks the 17th non-consecutive summer during which he has appealed for the missions in four score and more parishes in the Mid-Atlantic States. Consistently, he is inspired by the welcome reception, the active listening, and the willingness of parishes to consider how they might assist—spiritually, financially, and with their personal time and talents—with teaching the mission of the Church to spread the Gospel of Jesus.

There will be a second collection taken at all Masses to help support Brother Edward's appeal.

Congratulations on your Baptism

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

God Is Love

I was recently at a Catholic conference and had a conversation with someone living in the thick of Hollywood culture. He was Catholic and spoke of how hard it was to live out his faith amid tremendous temptation and negativity toward religion. He spoke about how going to daily Mass helped to keep him centered and stay strong in his faith. He was a great witness to living out one's faith in the face of disbelief.

One thing that he told me stood out above all the rest. He spoke of his engagement to his fiancé and how important it was to him that God was a major part of their relationship and their lives as individuals as well. He told me he said something to her like, "If you don't love Jesus more than you love me, this is never going to work." What an amazing and truly moving witness!

Songs and books are written about the intense longing one human being can have for another. We can describe another as meaning everything to us. We speak of wanting to offer our complete selves to our beloved. However, true love is about more than wanting to be with that person. It is about wanting that person to know a love even greater than theirs: the love of God. No love can last without God. My Hollywood friend knew this to be the case. He showed his true love for his wife-to-be by sharing more than himself — he shared the very One who created love.

Virtues, Explained!

When a person hears a "call," he cannot simply go — he must first figure out where the call is coming from. It's not enough to simply have an idea; the idea needs a good, thorough background check. This is discernment.
