FAITH FORMATION CODE OF CONDUCT

The core of our Catholic faith is our relationship to Christ and one another. As Christ loves and values each of us, we are called to love, value, and respect others.

The Code of Conduct is based on the following:

Every Student, Volunteer and Faith Formation Staff Member:

- Has the right to be safe.
- Has the right to be treated with respect and to be valued.
- Has the right to learn and participate within a secure environment free of intimidation, bullying or disrespect.
- Is encouraged to be polite, courteous and considerate of others.

Expected Conduct:

- To treat others the way they would like to be treated.
- To respect the rights of others which means not engaging in any of the following behaviors:

1. Teasing, name calling, threatening a student or volunteer, using inappropriate language or disrespecting others in any manner through words or actions.
2. Disrupting others through excessive talking, calling out, or attention seeking behavior or the violation of someone's personal space.

The remedial measures to assist in growth and learning will initially be a warning and a word to a parent. A reoccurrence of anything that violates the code will be a meeting with the parent and the student. If these actions do not achieve a positive outcome, a temporary break from class attendance will occur. In the event the student returns to class and the behavior is not amended, a parent/guardian will be asked to attend class with the child.

ST JAMES CAZENOVIA FAITH FOMATION REGISTRATION GRADES 1-12 (2026-2027)

As children of God, we all, students, volunteers, and staff, have the ability to lift up those around us through word and deed. Let us all move into the new year with the common goal of sharing Christ's light with others through the blessings of the Holy Spirit.

Please note:
Photographs / videos of minors are periodically taken for use in parish publications. Registering families are acknowledging and authorizing St. James, Cazenovia Faith Formation teams to utilize any taken photos or videos.
**Additionally, this form must be completed and signed acknowledging full understanding and compliance with the Code of Conduct for enrollment to proceed. Cooperation is greatly appreciated.
