

## ***PASTOR'S NOTE***

Summer has arrived and with it some much needed downtime for everyone. The experience of the pandemic along future hurdles remain a factor on everyone's overall mental and spiritual health. So, so rest, time with family and friends and attention to things like prayer and church are so important.

As we move into the summer and vacations, please remember to continue to support the Parish.

I remain grateful for the generosity of everyone and some who gave extra to make up for what others could not give in the uncertainty of things.

I will be out of the office and off the Mass schedule for two weeks in July. If you have any needs the office staff is already to help. Just as a reminder, the summer office hours are in effect beginning July 1<sup>st</sup> ending after Labor Day. The Parish Office will be open Monday thru Thursday from 9:00am to 2:00pm and closed on Fridays.

With the supply of priest creating a challenge for coverage and retired priests not up for the travel back and forth for all the Masses, there are only two weekend Masses between the St. Patrick's and St. James for the following weekends:

July 17/18, July 24/25, and July 31/August 1.

The Saturday Vigil Mass will be at St. James at 5:00

and the Sunday Mass will be at 10:30am

St. Patrick's. Please mark your calendars.

Have a safe and happy summer. My prayers to all  
as the work of Parish goes on no matter what the  
time or season.
