Virtues, Explained!

Jesus told the rich young man that in order to be saved, he must sell all he owned and give the proceeds to the poor. This is the virtue of liberality — giving of one's resources freely and in abundance.

However, the virtue of liberality should be practiced by each person according to his state in life. The rich young man could afford to lose everything — and indeed, was too attached to his wealth. We are all called to give selflessly of what we have, but "we have gifts that differ according to the grace given to us," writes St. Paul (Romans 12:6).

Some of us have too much time and have grown idle. Some of us have too much talent and use it only to benefit ourselves. Some of us have too much wealth, and hoard it jealously. Whatever we have too much of will keep us from God. So let's practice liberality, and be generous.
